H.R. 3354 - Department of the Interior, Environment, and Related Agencies Appropriations Act, 2018 [Make America Secure and Prosperous Appropriations Act, 2018]

1. Structured rule for further consideration of H.R. 3354.
2. Provides that no further general debate shall be in order.
3. Makes in order only those further amendments printed in the Rules Committee report, amendments en bloc described in section 3 of the resolution, and available pro forma amendments described in section 4 of House Resolution 500. Each further amendment printed in the report may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before action thereon, shall not be subject to amendment except amendments described in section 4 of House Resolution 500, and shall not be subject to a demand for division of the question.
4. Waives all points of order against the further amendments printed in the report or against amendments en bloc described in section 3 of the resolution.
5. Provides that it shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer further amendments en bloc consisting of amendments printed in the report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except amendments described in section 4 of House Resolution 500, and shall not be subject to a demand for division of the question.
6. Provides one motion to recommit with or without instructions.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for further consideration of the bill (H.R. 3354) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2018, and for other purposes.

Sec. 2. (a) No further amendment to the bill, as amended, shall be in order except those printed in the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 3 of this resolution, and available pro forma amendments described in section 4 of House Resolution 500.

(b) Each further amendment printed in the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before action thereon, shall not be subject to amendment except amendments described in section 4 of House Resolution 500, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against further amendments printed in the report of the Committee on Rules or against amendments en bloc described in section 3 of this resolution are waived.

Sec. 3. It shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of further amendments printed in the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except amendments described in section 4 of House Resolution 500, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 4. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill, as amended, to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
