RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 7900) to authorize appropriations for fiscal year 2023 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Armed Services now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 117–54 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees; (2) the further amendments described in section 2 of this resolution; (3) the amendments en bloc described in section 3 of this resolution; and (4) one motion to recommit.

Sec. 2. After debate pursuant to the first section of this resolution, each further amendment printed in part A of the report of the Committee on Rules

accompanying this resolution not earlier considered as part of amendments en bloc pursuant to section 3 of this resolution shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, may be withdrawn by the proponent at any time before the question is put thereon, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 3. It shall be in order at any time after debate pursuant to the first section of this resolution for the chair of the Committee on Armed Services or his designee to offer amendments en bloc consisting of further amendments printed in part A of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 30 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Armed Services or their respective designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question.

Sec. 4. All points of order against the further amendments printed in part A of the report of the Committee on Rules or amendments en bloc described in section 3 of this resolution are waived.

Sec. 5. Upon adoption of this resolution it shall be in order to consider in the House the bill (S. 3373) to improve the Iraq and Afghanistan Service Grant and the Children of Fallen Heroes Grant. All points of order against consideration of the bill are waived. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 117–56 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Veterans' Affairs or their respective designees; and (2) one motion to commit.

Sec. 6. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 8296) to protect a person's ability to determine whether to continue or end a pregnancy, and to protect a health care provider's ability to provide abortion services. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and

Commerce or their respective designees; and (2) one motion to recommit.

Sec. 7. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 8297) to prohibit the interference, under color of State law, with the provision of interstate abortion services, and for other purposes. All points of order against consideration of the bill are waived. The amendment printed in part B of the report of the Committee on Rules shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

Sec. 8. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 6538) to create an Active Shooter Alert Communications Network, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on the Judiciary or their respective designees; and (2) one motion to recommit.

Sec. 9. (a) At any time through the legislative day of Friday, July 15, 2022, the Speaker may entertain motions offered by the Majority Leader or a designee that the House suspend the rules as though under clause 1 of rule XV with respect to multiple measures described in subsection (b), and the Chair shall put the question on any such motion without debate or intervening motion.

(b) A measure referred to in subsection (a) includes any measure that was the object of a motion to suspend the rules on the legislative day of June 21, 2022, or July 12, 2022, in the form as so offered, on which the yeas and nays were ordered and further proceedings postponed pursuant to clause 8 of rule XX.

(c) Upon the offering of a motion pursuant to subsection (a) concerning multiple measures, the ordering of the yeas and nays on postponed motions to suspend the rules with respect to such measures is vacated to the end that all such motions are considered as withdrawn.

Sec. 10. House Resolution 188, agreed to March 8, 2021 (as most recently amended by House Resolution 1191, agreed to June 22, 2022), is amended by striking “July 13, 2022” each place it appears and inserting (in each instance) “July 19, 2022”.
