RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 1023) to repeal section 134 of the Clean Air Act, relating to the greenhouse gas reduction fund. All points of order against consideration of the bill are waived. An amendment in the nature of a substitute consisting of the text of Rules Committee Print 118–26 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

Sec. 2. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 1121) to prohibit a moratorium on the use of hydraulic fracturing. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources or their respective designees; and (2) one motion to recommit.

Sec. 3. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 6009) to require the Director of the Bureau of Land Management to withdraw the proposed rule relating to fluid mineral leases and leasing process, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Natural Resources now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources or their

respective designees; and (2) one motion to recommit.

Sec. 4. Upon adoption of this resolution it shall be in order to consider in the House the concurrent resolution (H. Con. Res. 86) expressing the sense of Congress that a carbon tax would be detrimental to the United States economy. All points of order against consideration of the concurrent resolution are waived. The concurrent resolution shall be considered as read. All points of order against provisions in the concurrent resolution are waived. The previous question shall be considered as ordered on the concurrent resolution and preamble to adoption without intervening motion or demand for division of the question except one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees.

Sec. 5. Upon adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the resolution (H. Res. 987) denouncing the harmful, anti-American energy policies of the Biden administration, and for other purposes. The resolution shall be considered as read. The previous question shall be considered as ordered on the resolution and preamble to adoption without intervening motion or demand for division of the question except one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees.

Sec. 6. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 7023) to amend section 404 of the Federal Water Pollution Control Act to codify certain regulatory provisions relating to nationwide permits for dredged or fill material, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and amendments specified in this section and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Transportation and Infrastructure or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment in the nature of a substitute recommended by the Committee on Transportation and Infrastructure now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 118–25 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. All points of order against provisions in the bill, as amended, are waived. No further amendment to the bill, as amended, shall be in order except those printed in the report of the Committee

on Rules accompanying this resolution. Each such further amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such further amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill, as amended, to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto to final passage without intervening motion except one motion to recommit.

SUMMARY OF AMENDMENTS TO H.R. 7023 PROPOSED TO BE MADE IN ORDER

(summaries derived from information provided by sponsors)

Sponsor	# Description	Debate Time
1. Bergman (MI), James (MI), Moolenaar (MI), McClain (MI), Huizenga (MI)	#7 (REVISED) Clarifies that no part of the act affects the existing ban on oil and gas drilling in the Great Lakes.	(10 minutes)
2. Garamendi (CA), Graves (LA), Swalwell (CA)	#6 (REVISED) Inserts Rep. Garamendi's bipartisan H.R.1181 to allow USEPA and states with delegated authority under the Clean Water Act to issue National Pollutant Discharge Elimination System (NPDES) permits for public works (e.g., wastewater treatment or water recycling/reuse plants owned/operated by local governments) for up to 10 years from the current maximum of 5-year permit terms. This amendment would not	(10 minutes)

affect Clean Water Act permitting for non-publicly owned projects like industrial polluters, which have 5-year NPDES permit terms under current law.
