

118th Congress
1st Session

H. Res. __

**H.R. 4394 - Energy and Water Development and Related Agencies
Appropriations Act, 2024**

H.R. 4364 - Legislative Branch Appropriations Act, 2024

1. Structured rule for H.R. 4394.
2. Waives all points of order against consideration of the bill.
3. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees.
4. Provides that the amendment printed in part A of the Rules Committee report shall be considered as adopted and the bill, as amended, shall be considered as read.
5. Waives all points of order against provisions in the bill, as amended.
6. Makes in order only those amendments printed in part B of the Rules Committee report, amendments en bloc described in section 3 and pro forma amendments described in section 4. Each amendment shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 4 of the rule, and shall not be subject to a demand for division of the question.
7. Waives all points of order against the amendments printed in part B of the Rules Committee report or amendments en bloc described in section 3 of the resolution.
8. Provides that the chair of the Committee on Appropriations or her designee may offer amendments en bloc consisting of amendments printed in part B of the Rules Committee report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except as provided by section 4 of the

- rule, and shall not be subject to a demand for division of the question.
9. Provides that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.
 10. Provides one motion to recommit.
 11. Closed rule for H.R. 4364.
 12. Waives all points of order against consideration of the bill.
 13. Provides that the amendment printed in part C of the Rules Committee report shall be considered as adopted and the bill, as amended, shall be considered as read.
 14. Waives all points of order against provisions in the bill, as amended.
 15. Provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees.
 16. Provides one motion to recommit.
 17. Provides that H. Res. 699 is laid on the table.

RESOLUTION

Resolved, That at any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4394) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2024, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. The amendment printed in part A of the report of the Committee on Rules accompanying this resolution shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived.

Sec. 2. (a) No further amendment to H.R. 4394, as amended, shall be in order except those printed in part B of the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 3 of this

resolution, and pro forma amendments described in section 4 of this resolution.

(b) Each further amendment printed in part B of the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 4 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against further amendments printed in part B of the report of the Committee on Rules or against amendments en bloc described in section 3 of this resolution are waived.

Sec. 3. It shall be in order at any time for the chair of the Committee on Appropriations or her designee to offer amendments en bloc consisting of further amendments printed in part B of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except as provided by section 4 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 4. During consideration of H.R. 4394 for amendment, the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.

Sec. 5. At the conclusion of consideration of H.R. 4394 for amendment the Committee shall rise and report the bill, as amended, to the House with such further amendments as may have been adopted. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto to final passage without intervening motion except one motion to recommit.

Sec. 6. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 4364) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2024, and for other purposes. All points of order against consideration of the bill are waived. The amendment printed in part C of the report of the Committee on Rules accompanying this resolution shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees; and (2) one motion to recommit.

Sec. 7. House Resolution 699 is laid on the table.

SUMMARY OF AMENDMENT TO H.R. 4394 IN PART A PROPOSED TO BE CONSIDERED AS ADOPTED

Sponsor	#	Description
1. Fleischmann (TN)	#148	(LATE) (MANAGER'S) Reduces the DOE's EERE account by \$1,000,000,000.

SUMMARY OF AMENDMENTS TO H.R. 4394 IN PART B PROPOSED TO BE MADE IN ORDER

(summaries derived from information provided by sponsors)

Sponsor	#	Description	Debate Time
1. Lawler (NY)	#33	Increases and decreases funding for the Army Corps of Engineers by \$1 million with the intent to direct the Secretary to ensure that the New York-New Jersey Harbor and Tributaries Focus Area Feasibility Study (HATS) complies with the Water Resources Development Acts	(10 minutes)

(WRDA) of 2020 and 2022.

- | | | | |
|--------------------------------------|------|---|--------------|
| 2. Molinaro (NY), Lawler (NY) | #89 | Increase/decrease amendment to highlight the importance of shoreline and flood management along the Hudson River | (10 minutes) |
| 3. Perry (PA) | #46 | Reduces the funding for Army Corps of Engineers - Civil; Investigations by \$715,000 for the purpose of eliminating funding for the Delaware River Basin Commission. | (10 minutes) |
