PART C—TEXT OF AMENDMENT TO H.R. 9237 CONSIDERED AS  
ADOPTED

Strike section 101 and insert the following:

**SEC. 101. MAJOR RICHARD STAR ACT.**

(a) **CONCURRENT RECEIPT GENERALLY.**—Section 1414(b) of title 10, United States Code, is amended by striking paragraph (2) and inserting the following new paragraphs:

“(2) **COMBAT-RELATED DISABILITY RETIREES.**—

“(A) **IN GENERAL.**—A member retired under chapter 61 of this title with a combat-related disability who is entitled for any month to retired pay under chapter 61 of this title and is also entitled for that month to veterans’ disability compensation under title 38, is entitled to be paid both without regard to sections 5304 and 5305 of title 38, as provided by subparagraphs (B) and (C).

“(B) **CAREER RETIREES.**—In the case of a member retired under chapter 61 of this title who has a combat-related disability that is not a qualifying service-connected disability (as defined in subsection (a)(2)) and who, at the time of the member's retirement, had 20 years or more of service otherwise creditable under section 1405 of this title or at least 20 years of qualifying and equivalent service computed under sections 12732 and 12733 of this title, the member may receive, without regard to sections 5304 and 5305 of title 38, both—

“(i) the amount of retired pay to which the member would have been entitled under any other provision of law based on the member’s service in the uniformed services if the member had not been retired under chapter 61 of this title; and

“(ii) veterans’ disability compensation under title 38.

“(C) **DISABILITY RETIREES WITH LESS THAN 20 YEARS OF SERVICE.**—In the case of a member retired under chapter 61 of this title with a combat-related disability and who, at the time of the member's retirement, had less than 20 years of service otherwise creditable under section 1405 of this title or less than 20 years of qualifying and equivalent service computed under sections 12732 and 12733 of this title, the member may receive, without regard to sections 5304 and 5305 of title 38, the lesser of—

“(i) both—

“(I) the retired pay for which the member is eligible under chapter 61 of this title; and

“(II) veterans’ disability compensation under title 38;

or

“(ii) both—

“(I) an amount equal to the product of the retired pay base computed under section 1406(b) or 1407 of this title and the retired pay multiplier determined under section 1409 of this title, as such base pay and multiplier would be computed if the member had 20 years of service creditable under section 1405 of this title; and

“(II) veterans’ disability compensation under title 38.

“(D) **COMBAT-RELATED DISABILITY DEFINED.**—In this paragraph, the term ‘combat-related disability’ has the meaning given that term in subsection (e) of section 1413a of this title and as

determined under the criteria and procedures used for purposes of such section.

“(3) EXCLUSION OF OTHER RETIREES.—Subsection (a) does not apply to a member retired under chapter 61 of this title if the member is not covered by paragraph (1) or (2).”.

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) COORDINATION WITH COMBAT-RELATED SPECIAL COMPENSATION PROGRAM.—Section 1414(d) of title 10, United States Code, is amended by striking “qualified retiree under this section” and inserting “qualified retiree under subsection (a) or is entitled to a payment under subsection (b)(2)”.

(2) AMENDMENTS REFLECTING END OF CONCURRENT RECEIPT PHASE-IN PERIOD.—Section 1414 of title 10, United States Code, is further amended—

(A) in subsection (a)(1)—

(i) by striking the second sentence; and

(ii) by striking subparagraphs (A) and (B);

(B) by striking subsection (c) and redesignating subsections (d) and (e) as subsections (c) and (d), respectively; and

(C) in subsection (d), as redesignated, by striking paragraphs (3) and (4).

(3) SECTION HEADING.—The heading of section 1414 of such title is amended to read as follows:

**SEC. 321. STUDY ON QUALITY OF MENTAL HEALTH AND ADDICTION THERAPY CARE PROVIDED BY HEALTH CARE PROVIDERS OF DEPARTMENT OF VETERANS AFFAIRS COMPARED TO NON-DEPARTMENT PROVIDERS.**

(a) IN GENERAL.—Not later than 90 days after the date of the enactment of this Act, the Secretary of Veterans Affairs shall seek to enter into an agreement with an independent and objective academic organization or research institute with demonstrated expertise in evaluating health outcomes inside and outside the Department of Veterans Affairs under which that organization shall—

(1) conduct a comparative study, subject to applicable Federal privacy laws, that evaluates the quality of mental health and addiction therapy care furnished under laws administered by the Secretary, by providers of the Department and by non-Department providers, across a range of treatment modalities, including telehealth, in-patient, intensive out-patient, out-patient, and residential treatment; and

(2) submit to the Committee on Veterans' Affairs of the Senate and the Committee on Veterans' Affairs of the House of Representatives, and publish on a publicly available website, a report containing the final results of such study.

(b) TIMING.—The Secretary shall ensure that the organization with which the Secretary enters into an agreement pursuant to subsection (a) completes the study and submits the required report not later than 18 months after the date on which the agreement is executed.

(c) ELEMENTS.—The report submitted pursuant to subsection (a)(2) shall include an assessment of the following:

(1) The degree of symptom improvement among veterans receiving care from such Department and non-Department providers across telehealth, in-patient, intensive outpatient, outpatient, and residential modalities. For each setting, symptom changes shall be measured between intake and discharge (for inpatient, intensive-outpatient, and residential programs) and between initiation of care and five months thereafter (for outpatient programs). Symptom scores shall be obtained for—

(A) Post-traumatic stress disorder, using the Clinician-Administered PTSD Scale and the PTSD Checklist;

(B) depression, using the Patient Health Questionnaire-9;

(C) substance use disorder, using the Brief Addiction Monitor; and

(D) suicidality, using the Columbia-Suicide Severity Rating Scale.

(2) Treatment-fidelity scores, derived from electronic health record documentation, assessing the extent to which such Department and non-Department providers adhere to evidenced-based practices in delivering mental health and addiction therapy care, as measured against criteria established by the VA/DOD Clinical Practice Guidelines and other nationally recognized, evidence-based standards, including those of the American Society of Addiction Medicine and the American Psychiatric Association.

(3) Identification of any gaps or delays in coordination between such Department and non-Department providers in responding to veterans seeking mental health or addiction therapy services, including the timeliness and completeness of health record exchange and communication of care plans.

(4) Measures of patient satisfaction with care received from such Department and non-Department providers.

(5) The number and percentage of such Department and non-Department providers who have completed Department or other accredited condition-specific training relevant to the veterans they treat, including training on military culture and trauma-informed care.

(6) The extent to which veterans with co-occurring mental-health and substance-use conditions receive coordinated, integrated care addressing the full range of their clinical needs, regardless of provider affiliation.

(7) Whether such Department and non-Department providers monitor and document health-outcome measures throughout the course of treatment and at regular intervals during the three years following the initiation of treatment.

(8) The number of veterans receiving treatment from such Department and non-Department providers across all levels of care, including inpatient, residential, intensive outpatient, and standard outpatient programs.

(9) The proportion of veterans described in paragraph (8) whose treatment progress is documented in their electronic health records as follows:

(A) For inpatient, residential, and intensive outpatient programs, entry and exit symptom-assessment data and discharge

summaries shall be recorded not later than one year following admission.

(B) For outpatient programs, initial symptom-assessment data shall be entered not later than one month of intake, and follow-up data shall be recorded not later than one year thereafter.

(10) The average elapsed time for such Department and non-Department providers, between receipt of referral for care or veteran outreach and completion of the initial appointment or admission.

(11) The percentage of such Department and non-Department providers who undergo formal peer-review or clinical-quality review at least once every six months.
