RESOLUTION

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 1181) to prohibit payment card networks and covered entities from requiring the use of or assigning merchant category codes that distinguish a firearms retailer from general-merchandise retailer or sporting-goods retailer, and for other purposes. All points of order against consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Financial Services or their respective designees; and (2) one motion to recommit.

Sec. 2. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 9022) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2027, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. The bill shall be considered as read. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived.

Sec. 3. (a) No amendment to H.R. 9022 shall be in order except those printed in part A of the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 4 of this resolution, and pro forma amendments described in section 5 of this resolution.

(b) Each amendment printed in part A of the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 5 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against amendments printed in part A of the report of the Committee on Rules or against amendments en bloc described in section 4 of this resolution are waived.

Sec. 4. It shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of amendments printed in part A of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except as provided by section 5 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 5. During consideration of H.R. 9022 for amendment, the chair and ranking minority member of the Committee on Appropriations or their

respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.

Sec. 6. At the conclusion of consideration of H.R. 9022 for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit.

Sec. 7. At any time after adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 8595) making appropriations for national security, Department of State, and related programs for the fiscal year ending September 30, 2027, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their respective designees. After general debate the bill shall be considered for amendment under the five-minute rule. The bill shall be considered as read. Points of order against provisions in the bill for failure to comply with clause 2 or clause 5(a) of rule XXI are waived.

Sec. 8. (a) No amendment to H.R. 8595 shall be in order except those printed in part B of the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 9 of this resolution, and pro forma amendments described in section 10 of this resolution.

(b) Each amendment printed in part B of the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as provided by section 10 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

(c) All points of order against amendments printed in part B of the report of the Committee on Rules or against amendments en bloc described in section 9 of this resolution are waived.

Sec. 9. It shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of amendments printed in part B of the report of the Committee on Rules accompanying this resolution not earlier disposed of. Amendments en bloc offered pursuant to this section shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority

member of the Committee on Appropriations or their respective designees, shall not be subject to amendment except as provided by section 10 of this resolution, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Sec. 10. During consideration of H.R. 8595 for amendment, the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate.

Sec. 11. At the conclusion of consideration of H.R. 8595 for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit.

Sec. 12. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 9237) to amend titles 10 and 38, United States Code, and other Federal laws, to improve benefits for veterans and the administration of the Department of Veterans Affairs. All points of order against consideration of the bill are waived. The amendment printed in part C of the report of the Committee on Rules accompanying this resolution shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Veterans' Affairs or their respective designees; and (2) one motion to recommit.
